

ACLS Precourse Self-Assessment

The **ACLS Precourse Self-Assessment** is an online tool that evaluates a student's knowledge before the course to evaluate their proficiency and determine the need for additional review and practice in 3 sections: rhythm recognition, pharmacology, and practical application. The student must complete the Precourse Self-Assessment and achieve a score of at least 70% before taking the ACLS Course. The student must print their successful completion certificate and bring it with them to class.

Optional for Renewal

This will take you 1 hours

1. Go to <https://elearning.heart.org/course/423>
Click on Launch Course (create an account if necessary)

The screenshot shows the course page for the ACLS Precourse Self-Assessment. The page is titled "ACLS Precourse Self-Assessment" and is part of the "Advanced Cardiovascular Life Support (ACLS)" course. The page includes a "Get It Now" section with a "LAUNCH THIS COURSE" button, a "Summary" section titled "How Does this Course Work?", and a "Quick Facts" sidebar. The sidebar lists the course as "Online", "1.00 Hour Online Course", and "KJ-1480". A red arrow points to the "LAUNCH THIS COURSE" button.

Summary

How Does this Course Work?

The ACLS Precourse Self-Assessment is an online tool that evaluates a student's knowledge in 3 sections: rhythm recognition, pharmacology, and practical application. Students complete the assessment before the course to help evaluate their proficiency and determine the need for additional review and practice before the course. All students must complete the Precourse Self-Assessment and achieve a score of at least 70% before taking the ACLS Course. Students must print their scoring report and bring it with them to class.
